NOTICE OF PROPOSED RULE MAKING

Adopted: January 31, 1997

Released: February 7, 1997

Comment Date: March 31, 1997

Reply Date: April 15, 1997

By the Chief, Allocations Branch

1. Before the Commission for consideration is a petition for rule making filed by The Word of Victory Outreach Center, Inc. ("The Word"), proposing the allotment of Channel 223A to Poplar Bluff, Missouri, as that community's fifth FM broadcast service. The Word submitted information in support of the proposal. The Word failed to state its intention to apply for Channel 223A, if allotted to Poplar Bluff, and should correct this deficiency in response to this Notice. See paragraph 2 of the attached Appendix.

2. We believe The Word's proposal warrants consideration. A staff analysis has determined that Channel 223A can be allotted to Poplar Bluff, Missouri, in compliance with the minimum distance separation requirements of the Commission's Rules without a site restriction.¹ Channel 223A at Poplar Bluff is short spaced to Station KMAL, Channel 224A, Malden, Missouri. However, Station KMAL's license has been modified to specify operation on Channel 225C3 (BPH-950503IA). Therefore, grant of a final license for Channel 223A at Poplar Bluff may be withheld until Station KMAL is licensed on Channel 225C3.

3. In view of the fact that the proposed allotment would provide a fifth FM broadcast service to the community, the Commission believes it would serve the public interest to propose amending the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

¹ The coordinates for Channel 223A at Poplar Bluff are 36-45-30 and 90-23-54.

Community	Channel No.	
	Present	Proposed
Poplar Bluff, Missouri	233C, 238C1, 244A, 278C2	223A, 233C, 238C1, 244A, 278C2

4. IT IS FURTHER ORDERED, That the Secretary of the Commission shall send by Certified Mail, Return Receipt Requested, a copy of this Order to the following:

Station KMAL
BBC, Inc.
P. O. Box 379
Malden, Missouri 63863

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before **March 31, 1997**, and reply comments on or before **April 15, 1997**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D. C., 20554. Additionally, a copy of such comments should be served on the petitioner's counsel, as follows:

Eugene T. Smith
715 G. Street, S.E.
Washington, D. C. 20003

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

8. For further information concerning this proceeding contact Kathleen Scheuerle, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon other

parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in this proceeding.

APPENDIX

1. Pursuant to authority found in Sections 4(i), 5(c)(1), 303(g) and (r) and 307(b) of the Communications Act of 1934, as amended, and Sections 0.61, 0.204.(b) and 0.283 of the Commission's Rules, **IT IS PROPOSED TO AMEND** the FM Table of Allotments, Section 73.202(b) of the Commission's Rules and Regulations, as set forth in the Notice of Proposed Rule Making to which this Appendix is attached.

2. Showings Required. Comments are invited on the proposal(s) discussed in the Notice of Proposed Rule Making to which this Appendix is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off Procedures. The following procedures will govern the consideration of filings in this proceeding.

(a) Counterproposals advanced in this proceeding itself will be considered if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments. (See Section 1.420(d) of the Commission's Rules).

(b) With respect to petitions for rule making which conflict with the proposal(s) in this Notice, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; Service. Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the Notice of Proposed Rule Making to which this Appendix is attached. All submissions by parties to this proceeding or by persons acting on behalf of such parties, must be made in written comments reply comments, or other appropriate pleadings. Comments shall be served on the petitioner by the person filing the comments. Reply comments shall be served on the person(s) who filed comments to which the reply is directed. such comments and reply comments shall be accompanied by a certificate of service. (See Section 1.420(a), (b) and (c) of the Commission's Rules.) Comments should be filed with the Secretary, Federal communications Commission,

Washington, D, C. 20554.

5. Number of Copies. In accordance with the provisions of Section 1.420 of the Commission's Rules and Regulations, an original and four copies of all comments, reply comments, pleadings, briefs, or other documents shall be furnished the Commission.

6. Public Inspection of Filings. All filings made in this proceeding will be available for examination by interested parties during regular business hours in the Commission's Public Reference Room at its headquarters, 1919 M Street, N.W., Washington, D. C.
